

ARCHITECTS, OWNERS AND BUILDERS

Call Our Engineers FIRST and Save Costly Alterations

The Extensive Use of the telephone in hotels, apartment houses, large buildings and large residences, makes it essential that in buildings of these types provision be made to carry the large number of wires necessary for furnishing telephone service.

In Smaller Buildings and residences the entire concealment of the telephone service wiring can be arranged for at a very small cost if included in the building plans.

If Some Arrangement is not included in the original building plans, it may be necessary to make extensive and costly alterations after completion of the building, in order to conceal the wires running through halls and rooms.

The Engineers of This Company will be glad at any time to give architects, owners or builders the benefit of their experience in such matters without charge.

Use the
Long Distance
Telephone

—to make appointments. A definite arrange-
ment in advance for an interview guarantees a
satisfactory meeting.

Illinois Bell Telephone Company

Maintenance and National Service

NATURE is both the ally and enemy of the telephone. One of her forces—electricity—carries the voice of man afar. Others, as flood, tornado or sleet storm, can cripple communications in a large area through their devastating might.

Each pair of telephone wires in the Bell System is a pathway for reciprocal speech. When beaten down by the uncontrollable forces of nature, that pathway to fifteen million telephones is blocked, and none of the nation's voices can pass that way.

Reserve materials must be on hand, that storm damage may be repaired without delay. Adequate funds must be made available so that the cost of restoration may be met.

National telephone service is only possible through an organization capable of handling, on a nation-wide basis, the problem of maintenance as well as of operation.

On Their Anniversary

IT was their thirty-fifth wedding anniversary, and all of the children except John had come home.

That vacant chair had threatened to spoil the day, but—

Long Distance telephone service brought joy to the little home. John, sitting at his desk in the great city, chatted gaily with his parents and sisters. The sound of his voice made his presence real. The telephone had saved the day.
